ASSUMPTION History

1933-2025

Assumption International Secondary School's Formation

A tripartite **Memorandum of Understanding** was signed between Three(3) Parties on **20th October, 2023**. The special guest of honour was the **Penang Chief Minister**.

As part of this milestone, the **Assumption School Building Fund** was officially launched.

The Tripartite agreement was a **win-win** agreement by parties involved:

- ABAA raises funds to build the facilities, grants permission to use the Assumption trademark, provides scholarships for B40 students, and, most importantly, ensures that our heritage continues.
- The operator receives the land and facilities at a token rental, gains free usage of the registered Assumption emblem and heritage,

and has the honour of operating a new school with a 90-year legacy.

- The landowner benefits from a new building, fulfills their social obligation to serve the community, and revives the LaSallian ethos of providing quality education to the underprivileged.

It's Where International Education Meets Affordability

At Assumption International Secondary School, we are committed to providing your child with a life-transforming international education and a character building curriculum at an investment that is truly affordable for the average income parent in Malaysia.

Our Vision

We envision our students to be self-motivated and always thirst for excellence in order to attain their full potential and life goals.

Our Mission

To train students to be independent learners by developing positive qualities, instilling a passion for learning, and inspiring them to always strive for excellence.

About Us

ASSUMPTION

The Journey to **Assumption International Secondary School** started in 2017 by Wing international's venture into provision of International secondary school education, to provide international education that is both affordable and with high quality grades which gives all children access and opportunity to success in life. Our aim is to nurture children in a safe and warm loving environment and as well guide them to archive their goals. We offer an alternative method compared to the normal international school, and as well cater for children who have a variety of learning needs.

Our classrooms are designed to accommodate small groups. Small classes enable each child to get quality

time and to interact in the classroom with the teacher. Our learning programs are from IGCSE Cambridge which is the world's most popular qualification. We have classes from Year 7 up to Year 13.

We encourage children to learn in an environment which is free from stress and peer pressure. We conduct exams at the end of each term and provide progress report cards. All our exams are accordance with the IGCSE Syllabus and exam structure.

Our team of educators are passionate, inspired and dedicated to teaching. They are qualified and experienced and they make every effort in making learning a joyful experience for your child!

Message from the Principal

”

Dear Assumption Family,

I welcome you all to Assumption International Secondary School, A Happy School. A Brighter Future!

We here at Assumption are working hard each day to give our students the best level of educational development which encompasses moral building, knowledge acquisition, and futurist views of the learning expedition. It is with great pleasure and humility that I look forward to serving each of our dear parents and students as the years go by.

We as a team strive to always have a spectacular school year especially when each one of us both parents and teachers unite around Assumption International Secondary School which binds us together with common goals and a shared vision!

We are committed to ensure that our students, your ward(s), archive the best results right from inception until graduation, the school is built on common principles of self-determination, independence, goal thirst, and better citizenry.

We make use of the latest and proven instructional strategies. We take a proactive approach to education with our quick response and intervention system (QRIS) which enables us to identify students who are weak and not on track with the expected standard of the school and the Cambridge Secondary Curriculum. After identifying them, we then provide adequate interventions in a small group setting to ensure each child matches up with the host of others.

Give your child an international academic advantage

Students at all grades are engaged in physical education, Moral lessons, Mind Therapy sessions, and science-based activities on a weekly basis asides the core subjects stipulated by the school.

I look forward to meeting and thank you for considering Assumption International Secondary School as a school selected for your most precious gift... your child! We know how important your children are and we do all that we can to educate them in a creative, holistic, and nurturing environment where future leaders are nurtured! We are building a brighter future for tomorrow's leaders. Our teachers at all levels work diligently to ensure your child is prepared for the future ahead!

Once again, Thank you for choosing us, and hope to serve you better.

Mr. Anthony
School Principal

Come and Experience Our Vibrant Indoor & Outdoor Activities

Joining our school's CCA is like stepping into a vibrant world bursting with warmth and excitement. Imagine a kaleidoscope of colors swirling with laughter and friendship. Our CCA isn't just a club; it's a family where bonds are forged and memories are made.

From exhilarating sports teams to captivating arts groups, there's something for everyone to explore and ignite their passions. Picture the thrill of scoring the winning goal or the euphoria of nailing that perfect performance on stage. But it's not just about achievements; it's about the journey we take together, supporting each other every step of the way.

Through fun-filled activities, adventurous outings, and heartwarming camaraderie, our CCA is more than just a routine; it's an unforgettable adventure. So come, join us, and let's create moments that will sparkle in our hearts forever!
